Dear Mr Gottschlich,

Porcupine Pub Site, Mottingham Village

I have been informed that a group of travellers moved with their caravans on to the vacant/derelict Porcupine Pub site in Mottingham Village last night.

As you can imagine I have received numerous complaints from local residents and councillors alike who are understandably very concerned with this development.

As owners of the site I am sure you will wish to resolve this as a matter of urgency not only because of the strength and concern of local residents but also travellers in situ will no doubt impede your efforts to market the site.

I would be grateful if you could give this matter your urgent attention and confirm that you are taking the necessary legal action to clear the site of travellers who are currently camped illegally.

Yours sincerely,

Bob Neill MP
