Dear Mr Gottschlich,

Porcupine Pub Site, Mottingham Village

Further to my letter of 23 August, I was very pleased to see that security personnel were on site yesterday morning and that the site has now been cleared. I am sure that residents will very much appreciate this prompt response. However, they and I are concerned to see that the site is still not secured and the gate remains wide open. I hope that you will give immediate instructions for the site to be secured to avoid any recurrence of this inconvenience to both residents and your company's interests.

Yours sincerely,

Bob Neill MP
