

Dear Bob,

I award you my personal STAR award for your standout stellar performance in questioning Andrea Leadsom MP on Monday evening.

Your point about “honour” was a salutary reminder to us all - well made and pressed home.

We at EMAG were depressed by how poorly briefed and badly informed Andrea is. And she clearly doesn't “get” that she's peddling porkies.

We hope to rectify that.

By all means share my high praise with your aggrieved Equitable Life constituents.

We really appreciate your interest and support.

Kind regards,

Paul Braithwaite  
General Secretary of EMAG
